

Requests for a change of advisor

From now on, this process will no longer be carried out via form filling.

Requests for a change of advisor during the postgraduate course must be made by a letter written by the student, soliciting the change and informing who will be the future advisor. If the student deems it necessary, there may be a justification in the body of the text of the letter. The committee will keep the justifications confidential. The secretariat in charge will collect the signatures that are necessary for the change process to take effect. From now on, this process will no longer be carried out by filling out a form.
